

OUR HISTORY - BHN

2020

Central Bayside Community Health Services, Connect Health & Community and Star Health collaborate to support vulnerable communities during COVID19 pandemic.

CENTRAL BAYSIDE
COMMUNITY HEALTH SERVICES

2021

Executives of the three organisations develop a plan to amalgamate into one community health organisation.

2022

Boards and members vote unanimously in favour of the amalgamation.

The first Board, Chair and CEO appointed.

BHN becomes one of the largest community health services in Victoria, serving more than 600,000 people across 18 sites in Melbourne's southeast.

Better Health Network

2023

BHN launches first Strategic Plan with the Vision,
Your health, your
choice, your way.

[STRATEGIC PLAN](#)

2024

BHN successfully completes its integration journey, bringing together all departments and services to operate as a single organisation.
